

Dear Parents/Carers,

This Christmas we are continuing our fundraising efforts by offering the children the opportunity to create a unique gift, personalised with their artwork. Children are being given the opportunity to create their own artwork at home and this will then be printed onto a ceramic mug.

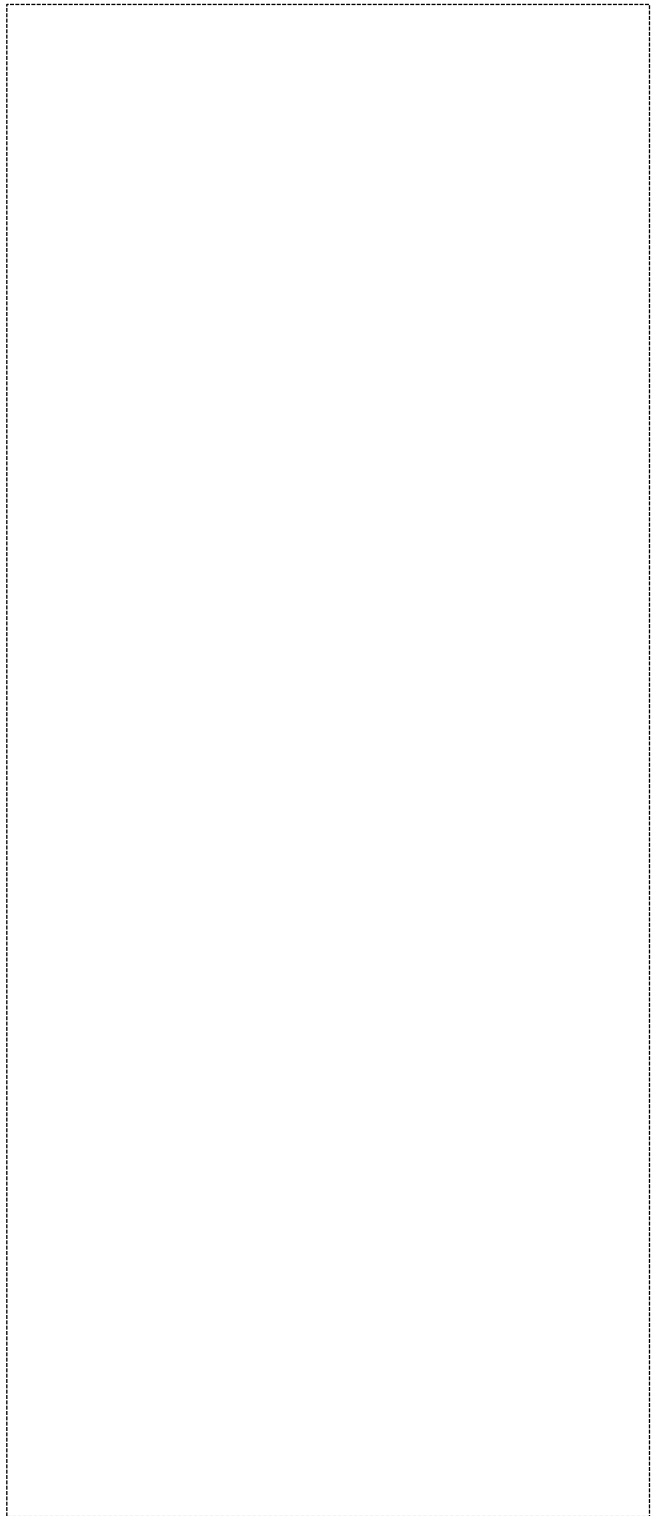

Ordering is simple. Just complete the form below, indicating how many you would like along with any message you would like featured in the mug. Payment must be included with the order form, either in cash or a cheque payable to Nicola Jones.

Bewdley Primary PTFA is able to offer the personalised mugs at £6.50 each or 2 for £10. We've included a template to show you the size available for your artwork. You do not need to use this specific template, but please ensure that the design doesn't exceed 8.5cm x 20cm.

All order forms, payments and artwork must be with the school office by Friday, 1st December at the latest.

Thank you for your continued support,

Your PTFA Team

Christmas Mug Order Form

Child's Name: _____

Class: _____

I wish to order _____ mug/s at the cost of £_____

Please include the following message on the mug:
