We would like to thank parents for their understanding today when collecting from school. Most parents did come and collect their children early however we made the decision to stay open to help parents who were at work today. The forecast over the weekend is for more snow although this may change. Please check our website for updates (the message will be in red at the top of the home page) and we will send a text on Monday morning at 7am if the school is going to be closed.

If you require more tickets, get in touch with the school office who will have a waiting list available.
