

Let's Hit The Beach!

The classes in Lower Key Stage Two have all earned thousands of Dojos so we're going to celebrate the end of term with a class party! Woohoo! The children will be having a Beach Party (without the sand!) on Monday, 17th July in the afternoon.

What should they wear?

Come to school in school uniform.

Bring a change of clothes which are okay to get wet. You may then like to send another set of dry clothes for them if they then wish to change out of wet clothes. They will also need sun tan lotion (fingers crossed!), a hat and a towel.

What food should they bring?

We'll be starting the party in the afternoon, after lunch time, so normal packed or school lunches will be fine. Rumour has it that iced refreshments may be provided in the afternoon . . .

What if they do not want to get wet?

That's not a problem! Dry activities are also available.

What if it isn't really beach weather?

We'll still have our party on Monday, 17th but we'll adapt our activities accordingly.

Can the children bring beach paraphernalia?

If you have paddling pools that we could borrow, we'd really appreciate it so please let your teacher know as soon as possible. Beach balls and beach games are very welcome and water pistols are allowed too. No need for a bucket and spade as we don't have a beach!
