

Wednesday 10<sup>th</sup> April 2024

## Dear Parents and Carers

For the Design and Technology part of our Belonging topic, Year 6 are going to be making a curry for an Eid celebration.

To be able to design and adapt recipes, the children will be researching different food and taking part in food tasting which will include items often eaten at Eid celebrations, as well as the different herbs and spices used. This may include items that contain almond and pistachio.

No child will be made to try something they don't want to, but it is essential that we are aware of any allergies or intolerances your child may have. Please let us know by Friday 12<sup>th</sup> April so we can plan accordingly. If we don't hear from you, we will assume your child can take part in the food tasting.

Thanks,

Y6 Team
