

Year 6 Roles and Responsibilities at Bewdley Primary School

We want to create an opportunity for our oldest children to utilise their learning in a practical way so we have developed a system of roles that the Year 6 children can apply for in a similar way to if they were applying for a job.

These roles around school will enable them to play an even greater part in their school community and develop a sense of responsibility and leadership skills.

In addition, children from throughout the school are voted on the School Council which represents the views of. The four house teams are led by Year 6 representatives which is also an elected role. vHouse captains are welcome to apply for Y6 jobs in addition to their house captain role.

With these responsibilities come rewards!

Computing Crew

Job description	The computing crew are responsible for ensuring the new ipads and laptops are looked after and stored correctly. They will also have the opportunity to try out new APPS and websites that we are considering using in school. The role of computing crew members may also include demonstrating how APPS and programs work.

Staff	Mrs Trow

Eco Warriors

Job description	Eco warriors need to always be ready to spot opportunities to save energy and water and protect the outdoor environment. You need to be able to work with staff and students from across the school and present ideas and findings in assemblies. We would like you to investigate ways you could reduce the school's energy bills e.g. encouraging taps and lights to be turned off when not in use as well as recycle, where possible. Can you encourage more children to walk or cycle to school? Could you recycle and reuse materials that we currently do not recycle?
