World Book Day

Friday 1st March

Although the official World Book Day is on Thursday 7th March, we are celebrating it on Friday 1st March to coincide with our book week in school. Children can come to school dressed up as a book character of their choice.

BPS Sponsored Read

Children have bought home a letter, reading log and sponsor form this week for our sponsored read. It begins today and runs through until Friday 1st March.

If you need another letter please speak to the school office.

Roof Maintenance Work

For the next few weeks we will be having essential maintenance work carried out on the school roof. Therefore, after half term an area of playground will be cordoned off for this work and for the health and safety of the children.

Children have gone home with a bag to fill with unwanted clothing which can be returned for collection on Wednesday 6th March. So start collecting those unwanted clothing items, paired shoes, hats, belts, handbags, ties and soft toys. All bags that are returned are weighed and in return the school is paid the total weight collected. Remember the more that is collected the bigger the benefit to school.

Children in **Reception and Years 1 and 2** need to come to school wearing their Forest School kit with wellies and a waterproof coat in a named bag.

Children in **Years 3 and 4** need to bring their Forest School kit with them. Please make sure children have a long sleeved top and long trousers and a waterproof coat. Leggings are **NOT** suitable. All forest school kit must be named and please supply a bag for your wellies.

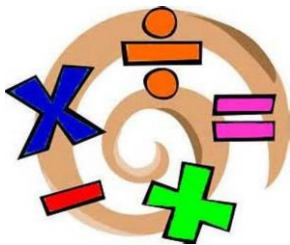

Every Tuesday - Year 3/4 – Mr Fallows

Wednesday – Reception

Thursday – Year 1

Friday – Year 2

Forest school is part of the curriculum at Bewdley Primary School and therefore it is essential that your children have their kit every week. If you do forget, can you please drop the kit off **BEFORE 12:00**. Children who do not have the correct clothing will use their PE kit and in cases where this isn't in school either, they will wear their school uniform. Hopefully, this will be easier to remember now that they are going every week regardless of the weather forecast, as conditions need to be extreme for us not to be spending at least part of the sessions outside.

Maths News

Maths homework learning sheets are coming home today! They have activities your child can do to practise their skills which will support their Maths learning next half term. Copies are also on the school website.

Key Stage 2 - more TTRS tournaments will be taking place after half term so get practising your times table facts!

Parent Governor Elections

Dear Parents/Carers

Thank you for taking the time to vote for two parents to join the governing body of Bewdley Primary School. I am pleased to inform you that Mrs Alice Westbury and Mrs Debbie Madeley and have been successful and we look forward to working with them in the future.

Before the Governors' meeting on February 4th Governors who have responsibility for Key Stage areas met with Key Stage leaders and discussed progress and attainment. They wrote reports which were then looked at and discussed during the meeting. One of the functions of governors is to hold the headteacher and staff to account for the educational performance of the school, and these meetings ensure that this is completed. After half-term Governors will be invited to observe SPAG lessons so that they can see teachers and pupils in action.

The next meeting will be in March. If you wish to contact the Governors please write to the Chair and hand your letter to the office or contact the clerk on governorclerk@bewdleyprimary.worcs.sch.uk

Enjoy half-term!
