

Friday 15th November

This year, Bewdley Primary is supporting the BBC Children in Need campaign by going back to the Eighties! On Friday, 15th November, children are invited to come to school in their finest 1980s fancy dress outfits! The children will be learning some 'classic' 80s songs and learning more about the decade that style forgot! Tune in to BBC Hereford and Worcester around 2pm to hear live snippets of the children's singing from the celebration assembly. Please send in your monetary donations on the day itself.

Remember to wear a smile!

Your views are needed!

On Monday, we will be sending out an e-mail to all parents containing a proposal to lower the age range of the school. The current age range 3 to 11 years and we would like to lower it to 2 to 11 years from January 2020.

This will enable us to change the current 2 - 3 year old nursery from a non-maintained nursery, into a Local Authority maintained nursery in order to improve communication and administration and bring it fully under the school umbrella.

Your child will be bringing home a response form, printed on yellow paper. We would be very grateful for any feedback.

Christmas Shoe Boxes

This Christmas we would like to support the work done by the charity 'Teams4u' (T4U) who donate shoe boxes filled with gifts to vulnerable children and families in Eastern Europe. Each class will be making up a box for a child of a certain age and gender. Items can be donated from a list in your child's class (please see sign-up sheets). Your donated item can be brought to school as soon as possible but no later than Tuesday 12th November.

Please remember to order your child's school meal at least 48 hrs in advance. Meals must be ordered via parent pay even if your child receives a free school meal.

Road safety training

We are taking part in a road safety and pedestrian training scheme which aims to improve a child's observations and awareness skills while crossing the road with an adult and helps make them more aware of the importance of being seen by drivers when making a journey.

Every class from Elmer's Nursery up to year 6 will take part in a class talk given by a Worcestershire County Council member of staff. This will take place on Tuesday 26th November.

Year 2 and Year 4 will be taking further practical road safety training in January. Details will follow at a later date.
