Dear Parents,

Hurricane

I am sure you have heard by now that in Year 3 tomorrow we are staging a hurricane situation to kick off our Natural Disasters topic. We have travelled back in time to Miami, Florida September 2017 during Hurricane Irma. Your children have decided whether or not they are going to stay at home (the classroom) or take refuge in an evacuation centre (the hall) and have made lists of essential jobs that need doing and items that they will need with them. Where possible, we would like it if they were able to bring some of these items in to school tomorrow to make their day as authentic as possible. We have said that the children are allowed a blanket/sleeping bag and pillow as well as one small bag of essentials which could include: a torch, a book, a pack of cards, a treasured item such as a teddy or photo and a snack. We do not want any large items or electrical equipment. This should not need any great thought or preparation as it should represent easily grabbed essentials that could be gathered from home with a storm imminent.

Many thanks for your support,

Year 3 Team
