### Photographs

#### Tuesday 26<sup>th</sup> November

A photographer will be in school on the morning of Tuesday 26<sup>th</sup> November, to take photographs of the children who were absent from school and/or didn't have a sibling photo the other day. Please make sure you have correct school uniform and a smile!

**DUE TO TIME RESTRICTIONS WE CANNOT INCLUDE HIGH SCHOOL CHILDREN OR BABIES AND TODDLERS.**

**Unfortunately, they are just coming in to take photographs of the sibling groups that were missed out last time, and the few children who were absent. I'm sorry but we are not able to re-take photographs that were taken last time.**

### Forest School

Have you ever wondered what your child gets up to at Forest School?

We have organised a parent/carer information evening on **28th November 2019 at 6:00pm** so that you can find out a bit more about Forest School at Bewdley Primary School.

Please come along to learn more about the philosophy behind Forest School, the way that it links to the wider school curriculum and what we hope the children will gain from being participating in Forest School experiences.

We look forward to seeing you !

### **Introducing your New Parent Governor.**

“Hello, my name is Linsay Mayman and I have chosen to be a parent governor because I care deeply about the future of my children and all the children who attend Bewdley Primary School. My eldest son has just started Reception and my youngest may start nursery next year. I therefore have many years to spend at this school and I relish the opportunity to make a difference, whilst supporting the school and its children, staff and parents.

I am a Paramedic in Birmingham, where I have worked for the past sixteen years and am lucky enough to be part-time since having my children. If I’m faced with a problem, I like to find a solution rather than wait to see what happens. I like to achieve high standards and think that with hard work, we can constantly improve and grow. Alongside a formal curriculum, I’m interested in how we can shape our children as individuals and help them become well rounded adults. I am looking forward to learning more about how the school operates and how I can contribute.”
