PARKING REMINDER

Please can we remind you of a few points regarding parking;

The layby out side school is only to be used as a drop off zone in the morning. Please do not pull in and park. If you do drop off please pull in to the front of the layby so that other cars can enter behind you.

Please do not enter the staff car park unless it has been agreed that you have access, even if you are running late. The car park cannot be used as a drop off point for health and safety reasons.

We have become aware that parents/carers are parking along the road and waiting with car engines running for as much as an hour. This is not environmentally friendly and not very pleasant for our neighbours, therefore it would be appreciated if car engines are switched off.

Start of the Day

It is very important that children are at school on time, so that they are ready and prepared for the day ahead. Can we remind you that the classroom doors open at 8.35am and the school day starts promptly at 8.45am. If you arrive after this time you must enter via the school office and unfortunately will receive a late mark.
