

Show the Love Day Friday 14th February

We are really pleased with all the things that everyone in school is doing to use less single-use plastic.

To keep going with our work from Climate Change Day, we have decided to join Climate Coalition and take part in the 'Show the love day' on **Friday 14th February**. The 'Show the love day' raises awareness by helping us think about something we love that is threatened by climate change. We would like everyone in school to wear **something green** or dress up something linked to the environment. No one needs to bring any money!

Take a look at our new Eco Committee page on the BPS website - here is the link - <https://www.bewdleyprimary.co.uk/page/?title=ECO+Committee&pid=173>

Thank you!

Anti-Bullying Quality Mark

We are aiming to achieve the Bronze Award for Anti-Bullying by the end of the year. As part of this, we are setting up a steering group to look at the school policy, current practice and actions to further develop the school's approach to bullying.

If you would be interested, as a parent/carer, in being part of this group you would need to be able to attend a meeting at least once per term – we will try to arrange these meetings to suit the commitments of all the members of the steering group.

Please email Mrs. Bennett at jbennett@bewdleyprimary.worcs.sch.uk to express an interest in being part of this group

Thank you for your support
