FIVE CHALLENGE FRIDAY 13.03.2020 @ BPS

On Friday, 13th March, children are welcome to come to school in their sports kit ready for Five Challenge Friday. Some of the challenges will be silly, some will be sporty, but all will ensure that the children work hard for any sponsor money that they are promised!

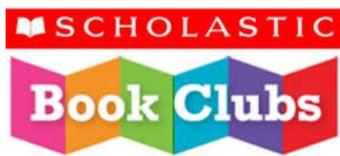

Every year, Bewdley Primary supports Red Nose Day and Sport Relief and we are pleased to do so again in 2020. However, we would like to also raise money this year for SARA, the Severn Area Rescue Association, which provided crucial support to Bewdley and the surrounding areas during the recent floods. The SARA team is made up of volunteers and all specialist equipment is funded by donations from the public. It costs approximately £130,000 a year to keep the operation running and we would like to show our support by donating half of the money that is raised on Friday.

Children can return any donations they collect in the attached envelope and hand it in to their class teacher on Friday, 13th.

We have had a great Book Week in school this week. Children from all across the school have had fun exploring a whole variety of different stories and texts and using these as stimuli to create fabulous work, ranging from models, roles plays and stories of their own. Thursday's celebration of World Book Day was a great success, with some really fabulous costumes on display. The 'Book Swap Shop' was also brilliant, and it was so lovely to see so many so children excited about books! Thank-you to everybody who took part in the Extreme Reading Challenge - it really did prove that reading can happen anywhere! Look out for these photos on display on the Bewdley Primary School Facebook page.

Paige B from Year 4 along with the charity H.E.L.P. are raising money to support the homeless here in the Wyre Forest. To help with this cause we will be holding a non school uniform day on Friday 3rd April with a suggested donation of £1.

H.E.L.P. have said: you can help us to help our homeless. We are all human beings at the end of the day and we should help each other in need. We have been helping the homeless and those in need for a few years now. We have fed them clothed them and even helped them to get off the street and into housing. We will never stop homelessness but we can certainly make a difference to those who are.

H.E.L.P. have raised enough for a mobile kitchen and would now like a first aid kit including a defibrillator which we are going to raise money for. On Friday 3rd of April we will have a non school uniform day with a suggested donation of £1
