

COVID 19 Update 18th March 2020

As a result of the guidance given by the Prime Minister, we will be closing the school at the end of Friday 20th March 2020 (Rascals will be open until 5:30pm) for all children apart from 'Vulnerable' pupils and children of 'Key Workers'. At this present moment, we are not sure which children will qualify for access to school and how this will be organised.

As soon as we have established the guidance around this we will let you know.

We will be issuing our Home Learning Packs to children on Friday to take home. For those of you whose child is already at home, and won't be in on Friday, we will be organising a collection of packs from the school layby – details of these arrangements will be sent tomorrow.

I apologise for the lack of detail in this update but I don't want to give incorrect information. Hopefully, tomorrow we can clarify these details.

Any Mother's Day presents that we have in school can be handed over with the packs.

Thank you for your patience.
