Dear Parents/Carers

Well, I certainly didn't think I would be having to write a letter like this when we first came back to school at the beginning of the Spring Term in January!

The last couple of weeks have been a bit of a whirlwind and none of us are sure about what will happen next but I want to say a massive thank you to everyone for their kind messages of support and understanding.

We are all absolutely gutted that we will not be spending the next few weeks with all of our wonderful children. As a staff, we love our job and love the school and its community. Many staff have been reduced to tears at the prospect of sending our children home tonight and not being able to see them for the foreseeable future. For some of our pupils, we would soon be entering their final term of primary school, and we do not know when our school will be fully open again, if at all, in the remaining time that we have with them. It all seems kind of surreal. However, we will most certainly be keeping in touch as much as we can and are looking forward to tackling the challenges of more remote learning. Hopefully, we will maintain the wonderful sense of fun and belonging that we are so proud of at Bewdley Primary School.

Now is a time when we can really test our resilience, patience, kindness, tolerance and understanding and these are hugely important attributes to develop in our children. I hope that you are able to make the most of extended time with your families - this could be a fantastic opportunity to renew and strengthen those bonds that can become fragile in our ever busy lives. It also gives us the chance to really reflect on what is important and what actually isn't.

I wish you all the best over the coming weeks - stay healthy and safe, follow the guidance and please, please keep us up to date with what is happening at home - we really do want to hear from each and every one of our children.

Best wishes

Jane Woakes
