

## Accessing Accelerated Reader at Home

It has been lovely to hear all about the different books that so many of our children have been reading at home over the past few weeks. It seems like a shame that such good reading is happening yet quizzing has been unavailable. Therefore, we have decided to amend our use of Accelerated Reader so that quizzes can be accessed at home. The URL needed to access our AR page is <https://ukhosted75.renlearn.co.uk/5979758/default.aspx>. Searching for Accelerated Reader in Google will **not** work as every school has a unique web address.

Children will be able to access their account and take quizzes at home between the hours at 8.30am and 4.30pm Monday – Friday for the foreseeable future. All children should know their login details as they use it so often at school, however teachers can easily remind them of their details should they need it – just drop the class teacher an email.

Although children should stick to their ZPD level as much as possible, due to the lack of availability in getting hold of books at present, we would much rather that children are reading for enjoyment and quizzing on any books that they read. If stories have been read together as a family, they can also be quizzed on: just make sure that children choose the option that the book was read together rather than alone.

If you are a member of Worcestershire County Council libraries, you can access something called '*Borrow Box*'. This allows eBooks to be borrowed. Steps to use this service are attached to the bottom of this page. Also, '*Audible*' currently has lots of free audiobooks that children can access. If children choose to listen to a book rather than read it, they are still more than welcome to quiz on it.

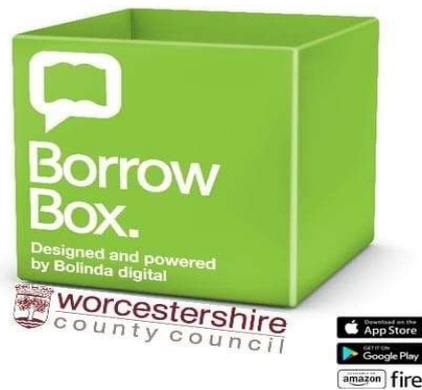

Teachers will shortly be sending out to each child their personal points target for the upcoming half term, so that they have something to work towards. Children will still be able to earn their bronze (three 100%), silver (five 100%) and gold (ten 100%) certificates along with their target certificates. They will be sent out electronically as they are earned.

If you have any questions or queries, please do not hesitate to contact your child's class teacher.

Thankyou for your continued support.
