

The Big BPS Book Donation Drop-Off

Saturday 29th August

10am – 1pm

So many of you have been in touch to say that you've been having a sort out at home and have lots of lovely books that you'd like to donate to the BPS library and class bookshelves!

On Saturday, 29th August, from 10am until 1pm, we'll be setting up a drop-off station outside BPS to allow you to bring your pre-loved children's books to school so that we can quarantine and sort them ready for the start of the new term.

We will also have an amnesty box for any school books which might still be lurking around at home so that they can be put back on our shelves again for everyone to enjoy.

Thank you so much to everyone who has already donated to this year's book fund using the Amazon Wish List. There are still plenty of books available if you'd like to donate using the following link
