

September 3rd 2020

Dear Parents / Carers

We have had a lovely day in school with the children and it is great to see them back. Obviously the first day has given us the opportunity to review the plans we put in place and to make necessary changes. Thank you for your patience and we hope you understand that we need to experience some things to know how they can be improved.

We have decided to implement the following from tomorrow.

- **One-way system**

We will continue to operate a one-way system for arrival and collection for those children who are arriving / leaving from the playground.

- **Drop off**

Parents of children in **Bond and Years 3 and 4** are welcome to drop off at the playground tomorrow but we would encourage you to leave your child at the red gate next to the carpark from Monday and staff will ensure they enter school safely. We do not expect any **Year 5 & 6** parents to need to come into the school grounds. Thank you for helping us.

- **'Holding Area' for collection**

If you have a child in Years 1 or 2 and another child in Years 3 or 4 you will be able to wait in the following allocated areas after collecting your younger child.

Dahl Ball Sports Area 2 (nearest the field)

Wilson Allocated play playground area outside Wilson classroom

Blyton Allocated play playground area outside Blyton classroom

Morpurgo Ball Sports Area 1 (nearest the climbing wall)

Please maintain social distancing within the ball sports areas. Also make sure that your child knows that you are in the ball sports areas waiting for them.

- **Year 3 and 4 children**

If you feel your child can walk out of school and meet you away from the school grounds please email your teacher with details so they can release your child. Please make sure your child knows where you have arranged to meet them.

- **Year 5 children**

Year 5 children will all be leaving via the far red gate, please make arrangements to meet them as far away from school as you feel they are mature enough to manage independently. Please make sure that your child knows where you have arranged to meet them.

- **Year 6 children**

Year 6 pupils will be leaving by the same green door that they use in the morning and will leave the school grounds via the red gate next to the carpark Please make sure your child knows where you have arranged to meet them.

REMINDERS

- Please can we remind you not to arrive early and to avoid congregating just outside the school grounds.
- Can we also remind you to leave the school grounds and walk away from the outside of the school immediately to avoid congestion.

- To keep numbers to a minimum please send only **one adult** per family to school for drop off and collection.
- Please do not allow children to run off and play away from you

Thank you

Mrs Woakes
