

Maths Homework activities for Year 2 HT2

These are the main areas of Maths your child will be learning this half term. Please let us know via Tapestry how your child gets on with the activities you try. Occasionally your child may be given extra homework to reinforce an area of Maths they need more practise with.

<p>I can count in steps of 2 and 5 from any number to 100 and in 10s from any number, forwards and backwards.</p>	<p>I can recall and use multiplication facts for the 2, 5 and 10x tables</p>	<p>To be able to use division facts for the 2, 5 &amp; 10 times table and relate them to multiplication facts.</p>
<p>Practise counting forwards and backwards. Counting in 2s – 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, 24.....</p>  <p>Counting in 5s- 5, 10, 15, 20, 25, 30, 35, 40, 45, 50....</p>  <p>Counting in 10s 10, 20, 30, 40, 50, 60, 70, 80, 90, 100, 110 ....</p>  <p><a href="http://www.ictgames.com/fairyfog_random.html">http://www.ictgames.com/fairyfog_random.html</a></p>	  	<p>Ask your child to halve a set of objects. They need to practise dividing objects into 2 even groups.</p>  <p>Dividing a set of objects into 5 groups and showing them that we are <b>sharing</b> our objects with 5 people.</p>  <p>Dividing our objects by 10 would involve creating 10 groups and <b>sharing</b> them out <b>equally</b>.</p>  <p>Do they know the halves of all the numbers to 10? For example, half of 8 is 4, half of 6 is 3.</p>

We will let you know of any other useful activities, websites and games.
