This week we have been without Year 3 and Elmer's Nursery due to positive cases of Covid-19 – we wish those affected a speedy recovery. With an increase in the number of cases both nationally and locally, it highlights the need to continue to follow the guidance given to ensure that we protect everyone in our school community. I realise that the rules and restrictions are taking their toll but I would ask everyone to please adhere to the guidance around school – please keep at least 2m distance from each other and wear face coverings when dropping and collecting your child. Many of you, I know, are frustrated by this guidance but even if we only protect one vulnerable person from this virus, it is important that we try. Additionally, losing staff to self-isolation puts pressure on the school to ensure that we have enough staff to provide a full range of learning opportunities. If we can prevent any of this, it will be to everyone's benefit. Thank you for your support in this!

Today it has been lovely to participate in Children In Need Day with lots and lots and lots of dancing!! Thank you so much to everyone who has donated – the amount of money raised has been incredible.

Next week we will be letting you know about all our plans for Christmas – it may be slightly different but we are making sure that we do as much as we can to ensure celebrations are just as much fun and encourages as much participation as possible.

Everyone in school have danced throughout the day and as a result of your donations we have so far raised an amazing £932. A massive thank you to you all. There is still time to donate, if you haven't yet please follow click here

Photographs and videos will be on the website very soon.

Reception to Year 6 will be having their nasal flu immunisation on **Monday 16th November**.

If you have not returned your consent form or have mislaid it forms are still available from the school office and be returned to school anytime before 8.45am on Monday.

A new date will be arranged for year 3.

Advice on informal childcare bubbles

A question that has been raised recently has been the provision of informal after school care (***not after school/wraparound care or registered childminders***). During the period of national restrictions there are limitations on households mixing to reduce the transmission of coronavirus.

The only situation where children may visit households other than their own are:

- Where parents have formed a childcare bubble with another household for the purposes of informal childcare, where the child is 13 or under - this needs to be consistent throughout the time of national restriction; or
- Where a household has formed a support bubble, which allows a single adult household to join another household.
- If eligible, families can form one childcare bubble and one support bubble with different households. However, they must not meet socially with the support bubble and childcare bubble at the same time.

Childcare bubbles must be used exclusively for the purposes of childcare. This would include walking another child to their home. The childcare bubble arrangement cannot be changed once agreed. All adults in the household must agree to the childcare bubble arrangement.

In practical terms this means that children may not visit friends' houses for play or meals after school unless there is a childcare bubble which has been agreed between all adults in the household.

Parents Evenings

You will shortly be receiving an email to invite you to a 'remote parents' evening via telephone sometime between the 23rd November 2020 and 11th December 2020. We will use the email contacts that have been given to class teachers in order to set up a day/time. If you do not receive emails from the class teacher (for example if you and your partner are no longer together and only your partner has emails sent) and are concerned that you will not be given a telephone appointment, could we ask that you contact your child's class teacher using the email below so that they can add you to the list.

Covid-19 updates

Reporting of suspected and confirmed cases

Should anyone in your household develop symptoms or receive a positive test result please notify school office by telephone or via the school email, office@bewdleyprimary.worcs.sch.uk, and follow the national guidelines and self isolate. **If you are leaving a message for the school office on the answer phone regarding sickness, would you please clearly state the symptoms and let us know if you are taking your child for a test.**

School need to be notified so that previous contacts within school can be notified and the local government guidelines can be followed as a school.

Social distancing outside schools

Parents advised to wear face coverings outside schools

Parents and carers across the county are being advised to wear face coverings when dropping off and collecting children from school. Thank you to those of you who are wearing your masks and continuing to socially distance.

The new advice from Public Health recommends that face coverings should be worn where it is physically difficult for parents to follow 2 metre social distancing rules.

Dr Kathryn Cobain, Director of Public Health at Worcestershire County Council, said: "I'd like to ask for the support of parents and carers to keep to the social distancing guidelines at all times, when dropping off and picking up your children.

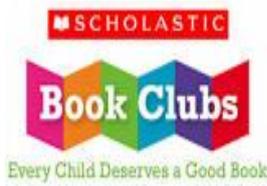

"We strongly advise wearing a face-covering if you're unable to keep apart, by doing this you can help prevent the spread of the virus. **Let's continue our hard work and remain in the lowest tier of measures.**"

Please do not allow children to run around with other children while waiting outside school. This helps prevent mixing of bubbles keeping you and your children safe.

**Mondays – Year 1
Tuesdays – Reception
Wednesdays – Elmer's Nursery
Fridays – Year 2**

On the day your child has Forest School, they must come to school in Forest School kit. They must be wearing long sleeves and trousers. No leggings and no jeans. Multiple layers are better than a single thick jumper.

Our new **Scholastic Book Club** is up and running! Go to <https://schools.scholastic.co.uk/bewdley-primary/digital-book-club> to browse the latest books and order online. For **every £1 you spend** on this month's Book Club, **our school will earn 20p** in Scholastic Rewards.

Ayla (Dodd) for being determined and being more independent when putting on her coat.

Eva (Inkpen) for being a positive and more confident member of class Inkpen.

Poppy (Butterworth) for writing an amazing story independently about the gunpowder plot and for creating a beautiful Rangoli pattern.

Amelie (Donaldson) for huge effort when writing her Rama and Sita storyboard. Great spelling and extended sentences.

Cayden (Bond) for being an absolute dream. I love you being in my class!

Sophie (Milne) for always being so enthusiastic in every aspect of school.

To everyone in **Wilson** class for doing such an amazing job with their home learning. Such creative and well thought out work - well done everyone!

The whole of **Dahl** class for showing great determination and a brilliant attitude towards learning from home.

Olivia (Blyton) For giving 100% to all her learning and trying to make her work the best it can be.

Daisy (Morpurgo) for being quietly brilliant!

Georgia (Lewis) for being a maths superstar! You have gone above and beyond with extra maths at home, including learning your times tables.

Dali (Rowling) for great effort and enthusiasm in our underwater art lessons and for sharing some great photos.

Piper (Walliams) for working so hard on both her newspaper report and on TTRS for Rock Out 2020!

Bella (Blackman) for always meeting a challenge - no matter whether its reading or maths or writing or handwriting. I am so impressed with her wonderful Y6 attitude! Well done Bella!

15. ... I am unable to get a test for someone in the household who has symptoms	<p><i>If you are not able to get a test in the first 5 days of having symptoms, your child and anyone they live with must stay at home and self-isolate for 14 days. Anyone in your support bubble must also stay at home.</i></p>	...the child has completed 14 days of isolation.

We are aware that several children have colds/sore throats at the moment. As long as there is no cough, temperature, loss of/or change in smell and taste – treat this as you would normally do and your child can return to school when they are well enough to do so.

However, if they do have one of the coronavirus symptoms (as above), even if it is possibly caused by a cold, you should apply the actions for number 1 above.

If you are leaving a message for the school office on the answer phone regarding sickness, would you please clearly state the symptoms and let us know if you are taking your child for a test.
