

**All children will need to be able to access
online learning this half term**

How can we help?

- Do you have internet access at home?
- Do you have a device that can be used to open emails and watch videos?
- Do you have at least one device for every two children at home?
- Will you be able to access home learning either by Tapestry (Reception – to Year 2) or by email (Years 3-6)?

If you answered no to any of these questions then we may be able to help.

Contact Miss Bradley on abradley@bewdleyprimary.worcs.sch.uk **as soon as possible** to see how we can help. If you do not have access to email, you can also contact the school using the Facebook Messenger app linked to our Facebook page or telephone on 01299 403796 and ask to speak to Mrs Court.
