21st May 2021

www.bewdleyprimary.co.uk

Today, the majority of the Year 5 pupils are off to Manor Adventure for the weekend – a trip that should have taken place last Summer Term. Finally, restrictions have lifted enough for the residential to take place and it is another step towards normality. We hope they have a fabulous time.

In spite of some of some easing of the restrictions, much of school life remains the same. Thank you to everyone for continuing to follow the guidance. Hopefully, our efforts will pay off and we see further easing of the restrictions in June.

In exciting news, we are having a new wooden outdoor classroom built alongside the playground. It won't be completed until October. It will be used for a range of learning opportunities and we will give you more details later. Additionally, we are building a gazebo with seating for 30 which will provide an additional outdoor learning space and a shelter from the rain and sun at playtimes.

New Telephone System

Some of you may have noticed a change when calling the school especially when leaving a message.

Please note that once you have chosen to leave a message regarding absence (option 1) there is no further message. You will just hear a beep. Please leave your message following this beep.

BPS is taking part an Eco Art Exhibition. We are going to create a whole-school masterpiece and need plastic bottle tops! We need as many different colours, shapes and sizes as you can collect. Thank you!
Please send them into your child's class.

As restrictions begin to ease, we are so pleased to be taking steps back to 'normality' at BPS too!

Our Year 6 children have taken part in 3 fantastic sports festivals, organised by the Wyre Forest School Sport Partnership and Kidderminster Harriers Football Club.

Congratulations go to our Boys' Football team who played at Aggborough Stadium on Friday and won the Kidderminster Harriers National League Tournament Cup, winning every match they played!

Our Girls' Football team also played well, coming in 5th overall. We sent an impressive 7 teams to the Orienteering Festival at Wolverley High, which was won by Grace, Jacob, Eliza and Eden from Blackman!

Well done to everyone who took part; the team spirit and enthusiasm of our pupils certainly hasn't dwindled over the last 18 months and all the staff involved agree that the children were a credit to the school.

Spelling Shed Results

Well done to all those who have been on Spelling Shed this week!

Winning class

Walliams

Top Five Spellers

1st – **Isabelle** from Walliams
