

Bouncy Castle Day – Permission Needed!

On Wednesday, 21st July, we'll be having a Bouncy Castle Day at BPS! All of the children will be given the opportunity to go on the bouncy castles with friends from their year group. The inflatables will then be sprayed with antibacterial spray between each year group. Please click on the link below to ensure your child will be able to take part.

A risk assessment has been put in place and BPS staff will be monitoring the inflatables whenever children are using them. Bouncy castles are usually a great deal of fun but, as with all aspects of school life, we cannot guarantee that accidents won't happen.

If you have concerns about the safety of the event, please ensure that you respond to say that your child will not be taking part. We'll be providing extra sports equipment on the field for children to play with if parents do not wish for their child to go on the bouncy castles.

Please click on the links below to let us know whether your children will be allowed on the bouncy castles. If you have twins, please put both children's names on the same link.

Year 1	Donaldson	https://www.surveymonkey.co.uk/r/XGD85H2
	Butterworth	https://www.surveymonkey.co.uk/r/X3ZQ2PW
