June 2021

Dear Parent/Carer

We are delighted to introduce ourselves as Bewdley Primary School's chosen Food Provider commencing September 2021, we have a well-established relationship with your school already and we are looking forward to building on this even further.

Here at St Anne's, we are fortunate to have such wonderful catering facilities which enable us to expand our operations beyond our school grounds and provide other schools with nutritional and tasty meals.

Our emphasis is on fresh ingredients, sourced locally where possible, freshly prepared and well presented. All of the food we offer complies with the School Food Plan, is nutritionally balanced and has a strong emphasis on allergens.

We believe children eat with their eyes and we strive to provide colourful, enticing food, helping children to make healthy choices and promoting a well-balanced diet.

We have an experienced, friendly and smiling team, who understand how food can sometimes be stressful for young children and we strive to ensure that lunchtime food is fun! Our team pride themselves on getting to know the children and understanding likes/dislikes and specific needs.

**We are passionate about food, we don't just want children to eat our food, we want them to love it!**
