Unfortunately, attending our Hungry Caterpillar's nursery does not guarantee you a place in our Elmer's pre-school nursery as we will have to follow our Elmer's nursery admission criteria when offering places. Please note that there is a separate admission form that can be completed for our Elmer's nursery. If your child attends our Hungry Caterpillars nursery, Mrs Talbot our nursery administrator will ask you to complete a form for our Elmer's pre-school nursery, the term before your child is due to start pre-school, asking you to specify the sessions that you would ideally like and your admission criteria etc. **Also, please note that we are unable to guarantee that your child will have the same sessions, as this will depend on availability.**

Numbers for Hungry Caterpillar's may vary depending on the need of in catchment pre-school children. Children will stay in the Hungry Caterpillar's 2-3 year old nursery until they are old enough to move up to Elmer's 3-4 year old Nursery in the September after they are 3. Please note that Elmer's Nursery will be for children in their pre-school year only. Therefore, children will stay in Hungry Caterpillar's Nursery for up to 5 terms, depending on their date of birth. **Please note that when completing the form below, children in Hungry Caterpillar's nursery, will only be able to use RASCALS' wrap around care from the term after they are three.**

Please be aware that attendance at either our Hungry Caterpillar's nursery or our Elmer's nursery does not guarantee a school place, or give any advantage in the application process. You will still need to apply for a school place through the Local Authority, in the usual way.
