

Home Learning - Reception

Friday, 17th September, 2021

Well, it's very sad and unexpected that we won't be seeing you in person today and we hope that you aren't one of the many who are feeling poorly at the moment. As we're only going to be off for one day, we're not going to be setting up lots of remote learning, but here are some suggestions of activities you could do today! We cannot wait to see you again on Monday and hope you have a lovely weekend.

This week in Reception, we've loved sharing the book 'The Colour Monster' with the children. It's a fantastic book which helps the children to talk about their feelings.

Here's a link to a video of the book for you to share at home together.

<https://www.youtube.com/watch?v=hX2blr9AOLk>

Chat about how you're all feeling today and why they might be feeling like that.

Encourage your child to draw, paint or collage a picture of themselves or the monster, using the same colours as the book

Unless you're having to self-isolate, our big recommendation for the day is to get lots of fresh air! Head outside and go for a walk or spend some time in your garden. Look out for 10 natural objects that catch your eye.

What are they? Why did you choose them?
What makes them special?

Check out

<https://www.thinkactive.org/gettingactive/kids-active-learning/> for lots of ideas for being active at home, whether you're having to stay inside or if you can head a little further afield. There are lots of different ideas for children of all ages to have a go at.
