On Friday 10th December, our Christmas Jumper Day will be in aid of the Kidderminster Food Bank. As we were unable to have our usual Harvest collection, we have decided to collect donations for the Food Bank, which provides food for individuals and families in crisis. We asked the foodbank to create a Christmas List of all the things they'd love to have donated and hopefully our fabulous BPS community will come together, as usual, to help those in need. Unfortunately, they do not have the capacity to store fresh food but all of the items below would be very gratefully received:

- UHT Milk
- Squash & Cordial
- Fruit juice
- Instant coffee
- Tinned spaghetti in sauce
- Tins of cold meat
- Tins of hot meat
- Tins of potatoes or instant mashed potato
- Tins of custard or rice pudding
- Tins of fruit
- Crisps and Snacks
- Jam, marmalade, chocolate spread
- Christmas foods including biscuits, chocolates, sweets, crisps, mince pies, Christmas puddings, savoury crackers, pickles

A message from Year 5

In year 5, our topic is all about plastic pollution and gas emissions which is causing climate change. Green house gases such as carbon dioxide are not only bad for the environment but also our health. Now the weather has turned colder we have noticed that many parents are parking near the school early and keeping ignitions running to keep warm. Our global temperature has risen from 1.2 degrees to 2.5 degrees over the past few years. People leaving engines on is causing pedestrians walking past to breathe in the toxic fumes. Please could we ask that you try and walk to school when possible, and, if driving, turn off your ignition when parked. We all need to do our part in the fight for saving our planet, every little helps to keep our global temperature to 1.5 degrees.
