

Christmas Production YouTube Permission

Following the success of last year's online performances, and as tickets are limited, we have decided to film and upload our productions onto YouTube with an 'Unlisted' tag. This means that only people with the link will be able to see the videos and they cannot be searched for publicly. You are, therefore, welcome to send the links to grandparents, aunties, uncles, cousins and

anybody else who's important to you. However, we do ask that you do not post any of the videos on social media. We require permission from every parent for their child to be on the video which is screened. However, this is easily done at the click of a button and the links are below. We need you to reply, whether you are giving permission or not. There's also an option to ask further questions if your decision is based on something in particular. All children will be involved in their performance, regardless of whether they're allowed to appear on screen, it just means that we'll need to be creative! They might be given an off-screen role, be on screen but wearing a mask of some kind or have face paints so that they can't be identified. The links are below and we'll send them out via a text message as well. Please respond as soon as possible.
