

Thank you to everyone who has supported the Year 6 fundraising campaign to raise money for UNICEF. The total amount raised is still growing!

Thank you for your support on Red Nose Day. With your help we have raised a total of £520!

School Uniform and PE Kit

Over the last two years, the lines around school uniform and PE kit have become increasingly blurred. We have decided that the time is now right to clamp down on what is, and isn't, acceptable as part of our standard uniform. We have thought long and hard to ensure that the uniform is easily accessible, reasonably priced and hard-wearing.

Over the next three weeks, we'll remind children of the school uniform requirements and will encourage them to wear the items shown on the attachment below. After Easter, parents will be contacted if children continually come to school in the wrong uniform, if we haven't received communications from parents to explain why.

What should I be wearing in school?

Standard School Day

PE or Swimming Day

Not to be worn in school, unless it's a non-uniform day

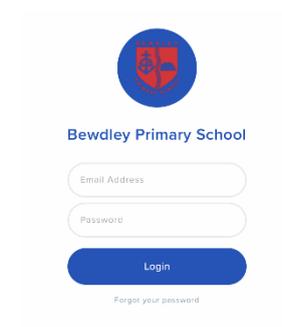

This week, we have launched our Parent Portal. The Parent Portal will enable you to access information about your child(ren), communications from the school and other useful information. When it is time to book parents' evening appointments, you will be able to do this through the portal.

We have generated an account for you using the email address you have provided to the school for communications. You should have received an email inviting you to create a password for your account.

You will be prompted to log in by entering your email address and password. You can request a password reset email by clicking 'Forgot your password'. You should use the email address you have registered with the school.

If you have any issues logging into your account, please email office@bewdleyprimary.worcs.sch.uk.

Your account has been created for Bewdley Primary School.

FROM THE ECO COMMITTEE:

We did an Environmental Review to see how good we are at different Eco areas. From that, we have decided to work on these areas this year:

- Litter
- Waste
- Marine

And we have a school grounds project that we are doing with the School Council – more on that coming soon!

For our first project on Litter, we are having a poster competition and litter picking competition! Over the next two weeks, each class will litter picking either in the school grounds or the local area. The winning class will be the one who collects the most litter using our brand-new litter pickers!

DON'T FORGET:

Every year millions of people worldwide participate in a global event to raise awareness about climate change and saving energy. The event is known as Earth hour day. All who participate switch off lights in their homes and workplaces for one hour. Earth Hour 2022 event is this Saturday at 8.30pm!

IT'S TIME FOR
AN ECO POSTER COMPETITION!
WE WOULD LIKE YOU TO MAKE AN
ANTI-LITTER POSTER AS INSPIRATION
TO THE REST OF THE SCHOOL
COMMUNITY. WE WANT OUR SCHOOL
TO BE LITTER FREE!

TEST YOUR DRAWING SKILLS TO CREATE A FAB POSTER. WE
CAN'T WAIT FOR YOUR GREAT POSTERS WHICH NEED TO BE
HANDER IN BY 3PM ON WEDNESDAY 6TH APRIL 2022.

GOOD LUCK
