

# Year 6 Leavers Hoodies 2022 – Order Form

All leavers hoodies this year will be black, to stand out from the rest of the school! They'll have the Bewdley Primary logo on the front, the number 22 on the back and 'LEAVERS' on the back, at the top. Inside the number 22 will be the first names of all children in the year group.

You may choose to have a name printed on the bottom of the sweatshirt on the back,

as seen in the picture. You may choose a first name **or** surname **or** nickname. You can also leave this section blank however the prices remain the same price whether you choose to have additional lettering or not.

We've discovered in previous years that deciding which size to buy has caused quite a headache so we have some example sizes in school for children to try on too – **we very much recommend them doing so before you order!** Most of the children in previous cohorts have opted from the small or medium adult hoodies as this means they'll get a little more wear out of them. There is a slight crossover between the child's sizes and adult's sizes. We have found that although they are the same chest size, the adult ones are slightly longer.
