**Half Term Monday 30th May to Friday 3rd June.
School and Nursery reopens on Monday 6th June**

It's been a busy half term with SATs and school trips, culminating in a fantastic Jubilee event this afternoon in the beautiful sunshine! The children all performed beautifully and we want to thank all the children for their participation, and the staff for working tirelessly to make it all happen! I do hope you had a chance to come along and enjoy the event.

I think everyone is ready for a half term break now, and we look forward to welcoming you all back on Monday 6 June. We have lots more planned in the last half term before the Summer break.

Year 1 Phonics Screening

A letter has been loaded onto the website with details of the Year 1 Phonics screening test which all Year 1 pupils take. This is set by Government, but it is carried out in an informal way within the classroom. We have sent some words for you to practice with your child. For more information, please see the website or the class teacher.

Year 5 Titanic Exhibition

A letter has been loaded onto the website detailing Year 5's upcoming Titanic Exhibition which is due to take place on Friday 10 June. This is an exciting opportunity for children to showcase all the things they have worked on and learned this first half term. There will also be an opportunity for parents to get involved.

The Year 4 Manor Adventure trip is fast approaching now and we would please ask that you check if you have settled any outstanding funds on ParentPay.

The trip must be paid for in full before children go.

If you have any questions about paying for the trip, please contact the Office as soon as possible.

Year 6 Leavers Hoodies

Please note that orders for leavers hoodies are needed by Friday 17 June. The item must also be paid for on Parentpay by this date.

Freckle at BPS....

by Renaissance

We have been using Freckle in Key Stage Two (Years 3,4,5, and 6) for almost two terms. It has been used as a home learning tool with teachers setting a weekly task in the 'Rucksack' linked to learning that has happened in the classroom. It has also been used as a classroom tool for both extra practise and to set more challenging activities.

Currently we are evaluating its effect on the children's progress and attainment, but we also want to know how parents and carers have found using Freckle at home.

We would really appreciate it if you could you complete this quick survey – click on your child's class:

Blackman <https://www.surveymonkey.co.uk/r/FJ6CGG3>
