

15 June 2023

Dear Parent/Carer

It is becoming more apparent in the lovely weather that we have been having lately, that parents are arriving to site a little earlier when dropping off or collecting their children.

Can we please remind you that for health and safety reasons, children should not play on the school equipment, play in ball sports areas, or on and around the climbing wall areas before or after school – even if parents are there. Additionally, please do not allow your child to climb trees. There have also been some younger children playing near to classroom doors (or even entering through the doors) whilst older children are still working. Please can you keep younger children close to you whilst waiting.

To ensure their safety, we would encourage you to supervise your child at all times whilst on our grounds and keep younger children close to you whilst waiting.

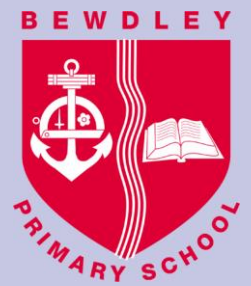

Likewise, for safeguarding purposes we do not permit parents to watch after school clubs. Parents should leave the playground at 3.20pm and return at 4.00 or 4.10pm if collecting a child.

Thank you for your support in this matter.

If you have any queries about anything in this letter, please do feel free to contact the office.

Yours sincerely

**Jane Woakes**
