

# The BPS Geographical Society

The Young Geographer of the Year Award:

- This award recognises great pieces of work by young geographers across the country based on a theme.
- This year's theme is 'A Blueprint for the Future.'
- If you would like to enter for a chance to win this award you need to create an A3 poster of your design for a theme.
- This needs to be handed in to **Miss Stevens by Thursday 28th September.**

The official guidance from the Royal Geographical Society:

- Your blueprint for the future could be a **design for an eco-city**, or a plan to **produce and distribute enough food to feed the world**. It could be a look at the **future of energy** and how we can produce enough energy sustainably without harming the environment, or a plan to **revolutionise travel and transport** in your country or beyond. Your plan must be realistic, but we welcome ideas for futuristic strategies and new technologies.
- Key Stage 2 criteria: Provide your plan for **at least one geographical issue**, using annotated images, maps or diagrams.
- Below are some past entries that have won the award for previous years themes.
