

Reading Workshop – Year 2 Parents

(and anyone with children in Years 3-6 who is new to school or would like to know about Accelerated Reader in Key Stage Two)

The way that reading is taught in BPS, from Year 2 and above, is very different to when they are early readers. To allow parents and carers to be able to support their child, both at home and at school, we are inviting parents into school for a short (30-40 minute) chat about what they can expect and how the Accelerated Reader system works. There will also be an opportunity to ask any questions you may have about reading. More general information about life in Year 2 will be shared at the Parents' Information Evening on Thursday 21st September at 6pm.

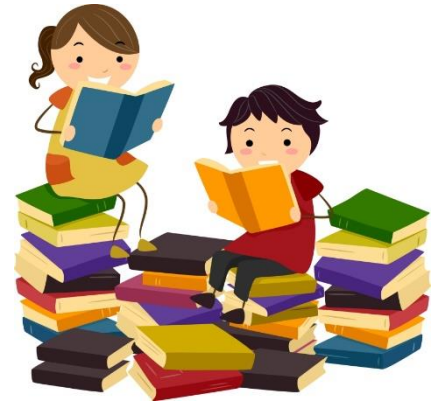

We're having two sessions, to try to ensure that as many parents and carers to attend:

Thursday, 14th September at 8:50am

Thursday, 14th September at 6:00pm
