

Year 2 News – Week Beginning 6th November 2023

First of all, have a wonderful half term!!

Coming up in Year 2...

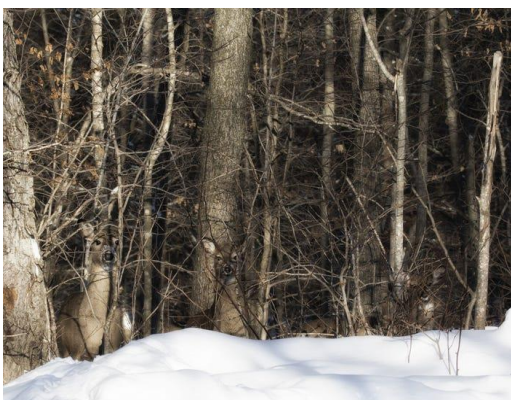

Maths – After half term, we will be looking at the strategies involved in multiplication, with a focus on 2s, 5s and 10 times tables.

Literacy – We will begin our 'Great Fire of London' topic and look at diary entries.

History – We will be giving ourselves new names for this topic and creating our own old English character to take us through this topic.

Computing/Art – After half term, we will be creating silhouettes of London burning.

Spellings for this week

Here are the children's spellings for next week.

The children will be tested on these words on Friday morning.

It is really important that your child practises these and is ready for their test on Friday morning.

The class of the week was **Milne** with **25,280,658** points in a single week!

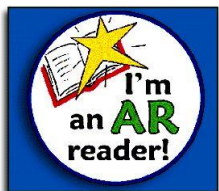

AR Class of the Week

Last week's AR Class of the Week in Year 2 was **Bond** with **92%** of children scoring an average of 85% or more in their quizzes.

Please continue to read and encourage your child to quiz when they know the book well.

Milne

Bond

Details of the Spellings have been emailed to you

Beat That!

Here are the Beat That calculations for next week. The children have been amazing at completing these this week. They have 90 seconds to score as high as possible. Please practise these at home. It really does make a difference 😊

The class of the week this week was **Milne** with **604** combined points in 90 seconds!

Times Tables!

This week, we will be practising the...

We wonder who will be this week's class champion!

Optional Extras!

Here are some activities that we will be completing in school. The Spelling Bee words will come home for you to practise. We have taken them off Spelling Shed for the moment. **The children will not be tested on these words.**
