30 hours free childcare

As your child turns 3 during the autumn term, you may be eligible to receive 30 hours free childcare starting from when the school reopens in January.

On the nursery page on our website there is a FAQ document which can help you work out if you are eligible or not. There you will also find further information and links to the relevant websites.

If you are still unsure or would like some support in completing an application for 30 hours free childcare, please contact Mrs Jones in the nursery office on 01299 403796 or at nursery@bewdleyprimary.worcs.sch.uk

If you have already applied and have received your funding code please inform Mrs Jones by 1st December in order to avoid being invoiced for the spring term.

Kind regards

Charlotte Jones
Nursery Administrator
