

**Dear Parent/Carer,**

We've started to use a new system called Evidence Me that will allow us to share what your child is doing in school. This will replace Class Dojo for your child in Nursery. We will continue to monitor Class Dojo however; our main method of communication will now be via 'Evidence Me'

**With Parent Share in Evidence Me you will be able to:**

- View observations (complete with photos) via the app or web suite, showing you what your child has been learning and the new skills they are developing.
- Send us your comments and feedback by simply adding them to the observation which will help our staff to support your child more effectively in the classroom.
- Upload things that your child has done outside of school that you think the teacher would like to see.

**What will happen next:**

Over the next week you will receive a letter asking you to confirm the email address/addresses that you would like associated with Evidence Me. You will receive an email from [noreply@evidence.me](mailto:noreply@evidence.me) asking you to confirm that you would like to participate. Make sure you check your spam/junk inbox as sometimes emails can get lost in there.

We look forward to supporting you and your child and are always striving to provide the highest standard of education possible.

Please visit <http://help.evidence.me/parent-share/help-for-parents/> for further information and guidance.

If you have any further questions, please don't hesitate to ask.

Yours sincerely

Miss Carpenter

Early Years Lead & Nursery Teacher
