

# Mini Police Officer Competition

PCC John Campion is asking schools across the area to take part in a competition designed to improve road safety - this includes us at BPS! **All you have to do is make a poster which shows/with the title 'How I Get to School Safely'.**

To help you with this, think about the tips we were given in our 'Be Bright, Be Seen' assembly last week and consider the road hazards you might see when getting to school. Whether you walk, cycle, scooter, drive or get the bus to school, we would like your poster to illustrate how you do this safely!

Think about how you can make your poster eye-catching using pictures, colours and snappy phrases - you could even make it into a poem! Winners of this competition will have their posters shared across police teams and will win a mini police officer for the school!

The deadline for this competition is **Friday 15th December** as we will need to have them sent to the PCC office by the following week. If you choose to take part in this competition, please collect an entry form (which your poster must be completed on) and ensure you have given your completed entry to your class teacher by this date.
