TIMES TABLES

We are practicing the **5** times tables.

Ricky Martin -
Livin' La Vida Loca

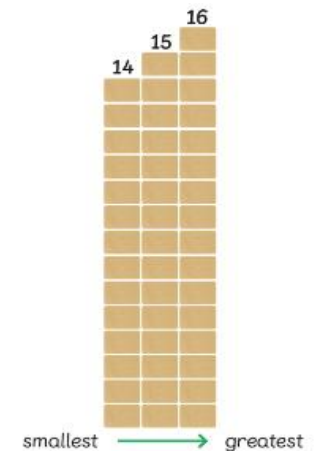

Weather Experts

We will be learning about the world and naming and locating the 7 continents. We will listen to the 'Continent Song' which is a firm favourite at BPS! We will also be learning about the equator and comparing hot and cold climate zones.

MATHS NO PROBLEM!

We are learning to order numbers from smallest to greatest, and from greatest to smallest.

The most important thing to do at home is to read with your child each day.
