

# Transport- Trains

w/c 29<sup>th</sup> January 2024

**Book of the week:** Trains, Trains, Trains

**Word of the week:** Engine

**Nursery rhyme of the week:** Down at the station  
(Click the picture to listen to the rhyme)

## Maths

**Number of the week:** 4 (click on the Numberblock to watch a clip)

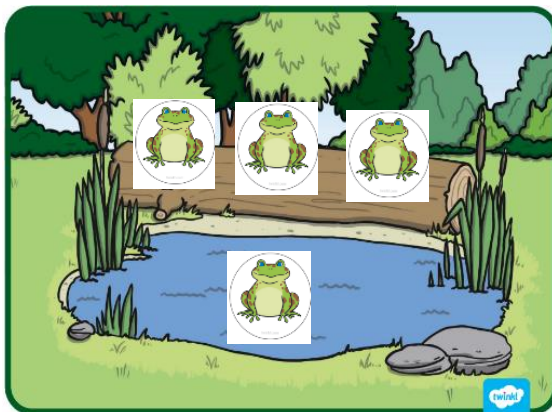

**Shape of the week:** rectangle

We will be counting the sides and corners on a rectangle and identifying the rectangle when looking at squares, circles and triangles.

**Activities:** We will be exploring how the number 4 can be made. We will use frogs on the log and in the pond to model this.

For example; Three frogs in the pond and 1 on the log '3 and 1 makes 4'

## Phonics

**This week's focus-** Peace at last.

Exploring the sounds that they can hear inside and outside and the sounds that the weather can make.

What words can we use to describe the sounds? Introduce and model vocabulary e.g., creaking, clinking, whirring etc. Which sounds were loud/quiet?

<https://www.bbc.co.uk/teach/school-radio/eyfs-listening-skills/zbc4y9q>

Here is a link to encourage listening to different sounds.

## Forest School – Wednesday

This week we will be using the natural materials found in forest school to create a picture or self-portrait.

## Topic

- Building bridges for trains
- Rolling trains in paint and observing colour mixing
- Role play being on a train
- Cutting playdough to make trains
- Rolling trains down ramps
- Exploring the magnet that attracts train carriages together. Sorting and finding objects that are magnetic and not!
