

# Transport- Air

w/c 5<sup>th</sup> February 2024

**Book of the week:** Up and Down by Oliver Jeffers

**Word of the week:** Transport

**Nursery rhyme of the week:** The Transport song

## The Transport Song

(Sing to the tune of 'Twinkle, Twinkle, Little Star'.)

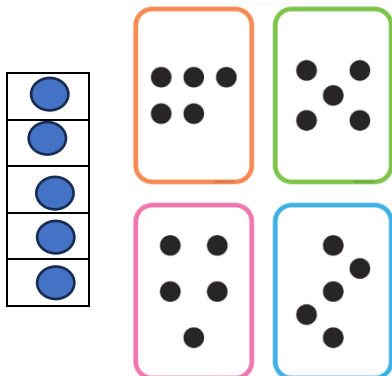

Planes fly up into the sky,  
Sit and watch until you fly.  
Hear the pilot and the crew,  
They will tell us what to do.  
Planes fly up into the sky,  
Sit and watch the clouds go by.

## Maths

**Number of the week:** 5

**Shape of the week:** This week we will be revisiting the following shapes: square, circle, rectangle and triangle. We will count the sides and corners and look for these shapes within the environment.

**Activities:** We will be practising our counting to 5. We will use different countables to help us as well as counting claps and jumps. When using counters, the children will be encouraged to place in different arrangements as well as on a five frame. We will also look at what the numeral 5 looks like.

## Phonics

**This week's focus-** Old Macdonald had a farm  
Commotion in the ocean  
**Exploring the sounds that animals make.**

Here is a link to encourage listening to different animal sounds.

## Forest School – Wednesday

This week we will be making birds nest using natural materials. We will explore the natural materials in forest school before we think about how we are going to make a nest.

## Topic

- Junk modelling different types of transport
- Using playdough to make different modes of transport
  - Transport in small world play
  - Looking at old and new

We will also be celebrating Chinese New Year and the year of the dragon!

Please don't forget to bring in any junk modelling equipment you have- the children will be making their own mode of transport throughout the week!
