Has

TIMES TABLES 

We are practicing the **5** times tables.

Siouxsie and the Banshees -
The passenger

MATHS 
NO PROBLEM!

8 + 4 =

8 + 4 = 12

We are learning to add by counting on from the biggest number. We will also be answering addition number sentences by making 10 first, and then counting on.

The most important thing to do at home is to read with your child each day.
