

Pollution – Impact on the ECO system

W/c 11^h March 2024

Book of the week

We are focusing on 'Litterbug Doug'

Word of the week: mouldy

Here is a song linked to growing this week.

Phonics

We will be using capital letters, finger spaces (between words) and full stops during our phonics lessons.

Please support your child's letter formation by using Phonics shed to make sure that they are forming letters correctly. Especially the curly caterpillar letters e.g., c, o, a, g, d and q. Many thanks!

Tricky words

We will be recapping all the tricky words we have learnt so far.

off	will	as	is	his
a	at	the	I	it
it's	an	in	and	dad
on	got	not	do	to
into	can	no	go	so
get	up	put	mum	had

Maths

This week we will be measuring and comparing lengths. We will be using rulers, cubes, blocks and body parts, e.g., hands, feet etc.

Vocabulary used

more than, less than, the same as, shorter, taller, longer, shortest, tallest, longest, height, length

Words for the week: **went, no**

On Friday the children will be recording these two words independently in their book. **Please work on these words at home using the correct letter formation.**

PE

This week we will continue to focus on object control, under arm throwing. These skills will be developed through many games and activities.

Forest School (Monday)

This week we will be making bird feeders out of cardboard toilet rolls and bird seed. We will be hanging these up in Forest School and observing the birds while they use these.

Frog Spawn

The frog spawns are continuing to develop into tadpoles. From now on we will begin to feed them fish food as the jelly has gone. We are hoping to see their legs growing soon.

Seeds

We have now planted our beans and we will observe these for any changes. The children thought light, soil and water would help them grow. Let's continue to find out!

Thank you

A huge thank you for everyone that attended Parents evening. We hope it was as helpful to you as it was to us!
