Shape of the week: triangle

Activities: This week the children will be introduced to the balance scales. They will explore what happens they add different objects to the balance scales and will be introduced to the vocabulary **heavier** and **lighter**.

If you have any photos of your child and a visit to a farm they have experienced please send them in via Evidence Me. We will use the pictures as discussion prompts during our snack time.

Phonics

This week's focus- Body percussion

This week the children will continue learn about the sounds that they can make with their bodies. Our focus this week will be exploring the changes we can make to volume and speed.

This is one the rhymes that we will use this week to support our focus.

Two Little Hands... (to the tune of the Wheels on the Bus)

Two little hands go clap, clap, clap.

Clap, clap, clap.

Clap, clap, clap.

Two little hands go clap, clap, clap.

All day long.

Repeat with:

- Two little fingers go click, click, click.
- Two little cheeks go pop, pop, pop.
- Two little feet go tap, tap, tap.
- Two little feet go stamp, stamp, stamp.
- Two little knees go knock, knock, knock.
- Two little legs go jump, jump, jump.
