

Pollution – Impact on the ECO system

W/c 18th March 2024

Book of the week

We are focusing on 'The Easter Story'

Word of the week: symbol (for example, the cross on a hot cross bun)

Here is a song linked to Easter this week.

Phonics

We will continue to use capital letters, finger spaces (between words) and full stops during our phonics lessons.

Please support your child's letter formation by using Phonics shed to make sure that they are forming letters correctly. Especially the curly caterpillar letters e.g., c, o, a, g, d and q. Many thanks!

Tricky words

We will be recapping all the tricky words we have learnt so far.

off	will	as	is	his
a	at	the	I	it
it's	an	in	and	dad
on	got	not	do	to
into	can	no	go	so
get	up	put	mum	had
him	back	big	but	if
from	of	help	just	went
want	as	into	the	is

Monday 18th March

This is another NON-UNIFORM day and a chocolate donation which will be used towards our raffle at the end of the week.

Maths Open Week

You will be able to take part in this w/c 15th April. Please complete the link given on the Maths letter.

Maths

This week we will be learning about capacity and using the language to describe how much is in a container.

Vocabulary used

Empty, full and half full, nearly full, nearly empty, liquid, capacity and space.

Words for the week: Recapping all the words learnt this half term:

not, go, get, into, went, no, put, so

On Friday the children will be recording these words independently in their book. **Please work on these words at home using the correct letter formation.**

PE

This week we will continue to focus on object control, under arm throwing. These skills will be developed through many games and activities.

Forest School (Monday)

This week we will be looking at how can we look after the environment and complete a scavenger Spring hunt. We will also be litter picking around the school grounds using the correct equipment.

Tadpoles

This is our last week looking at observing the tadpoles in the classroom before we place them back in the pond to develop into frogs. We are hoping to see their legs grow this week.

Seeds

It has been very exciting seeing so many changes with our planted beans. The bean in our water with the paper towel has started to grow roots and a stem. We will find out what it looks like after the weekend!
