

We are so excited to be able to announce that this year's Bewdley Primary School's theme for Bewdley Carnival is Shrek! With such fantastic characters and an incredible soundtrack, it's going to look and sound amazing! For those who have witnessed the spectacle before, you'll already know that the singing, dancing and costumes of the BPS children and staff is always one of the highlights of the event.

This year's parade is on Saturday 29th June. It will follow a completely different route to usual due to the partial-closure of Stourport Road. This year, it will start at Bewdley Pines Golf Club at 12pm and finish in the centre of Load Street, approximately 1.5 miles away. We'll send through more specific drop off and pick up times and locations closer to the time.

Ordinarily, we would invite all children from Reception to Year 6 to join us in the parade. Reception would normally ride on the float itself and the rest of the school would be part of the walking parade. At the moment, we're awaiting confirmation as to whether we'll be able to get our usual float through the roadworks and over the bridge. If we can, then Reception are welcome to join us on the day. If not, unfortunately, we'll only be opening it up to Years 1 to 6. We'll hopefully have confirmation of this after half term.

We'll be sending out specific details closer to the event but so that we can ensure that we have sufficient adult support available we need to know how many children would like to take part. Closer to the event, we'll send out consent forms and ask for additional information that we'll need for the day.

If your child would like to be part of the Bewdley Carnival with BPS, please complete the application form by Friday 7th June by following this link or scanning the QR code:

<https://forms.office.com/e/gf8f8107pj>

If you have any questions or queries about the day, please email Miss Bradley at abradley@bewdleyprimary.worcs.sch.uk

With lots of fabulous characters in the Shrek films, there are so many different costume possibilities!
