TIMES TABLES

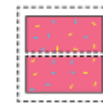

We are practicing the **2** times tables.

The Weather Girls -
It's Raining Men

MATHS

NO PROBLEM!

The cake can be cut into 2 equal parts.
Each part is called a half.

gets one half.

gets one half.

2 halves make the whole cake.

We are learning about how to split shapes into half and quarters. We will also learn how to share an amount of objects into half and quarters.

The most important thing to do at home is to read with your child each day.
