

Reception

Marvellous me!

During the first half of the Autumn term our topic is 'Marvellous Me'. Over the summer we would like your child to create their own marvellous me box to bring with them when they start in September. The aim of the marvellous me box is to encourage children to think about who or what is special to them. It also aims to encourage children to talk about what makes them marvellous!

To support this topic, we would like you to create a Marvellous Me box with your child over the summer. You can decorate the box however you like but please ensure your child's name is on the front of the box.

We would like you to fill a shoe box sized box with the following

- A photo of their family
- A photo of them as a baby
- A photo from a birthday/birthday party
- A picture of their pet or the pet they would like to have!
- Their favourite story- please make sure that this has your child's name on it

During the first few weeks we will then use these items during focus sessions to support the topic. These sessions will support

- Communication and language
- Personal, social and emotional development
- Understanding of the world

Please send the box into school with your child by **Friday 6th September**. We will keep the boxes in school and send them back home with the children towards the end of the first half term.

Have a lovely summer!
