

Wednesday 18th September, 2024

We have some exciting opportunities for the children at BPS to take on more responsibility and have a greater role in school life. Whether your child fancies being on the School Council, the Eco Committee or a House Captain – or all three! – their presentations need to be ready to go on **Monday 30th September**. We look forward to seeing a variety of creative presentations! If your child does want to do an electronic presentation, please email it to your child's class teacher.

Nominations for School Council and the Eco Committee are for Year 2 to Year 6. Year 1 will have an opportunity to be included later in the year. Year 6 are the only year who can nominate themselves for House Captain.

- What skills do you have that would be great for this opportunity?
- What do you have that is different to your classmates?
- What can you bring to the role of school council?

WANTED! (for Year 2 – 6)

Enthusiastic and dedicated Eco Committee members.

Last year BPS was awarded Green Flag status for the third year running – this time with distinction! Have you got what it takes to lead BPS to be the best Eco school ever? Every class needs to vote one person on to the Eco committee. If you think you would be a great candidate, prepare a short presentation to deliver to your class as to why they should vote for you!

HOUSE CAPTAINS (for Year 6 only!)

Every year, Year 6 students have the opportunity to be voted a House Captain to lead their house in the various House competitions that run throughout the year, such as Eisteddfod and Sports' Day. The children throughout the school take their voting very seriously so this is a huge accolade for the successful candidates.

Year 6, how can you prove to your house that you have what it takes to be a fabulous leader? Get ready to wow them with a creative presentation that will demonstrate your values and skills.
