

FATHER'S DAY SHOP

As you will have read in the newsletter, this year's Father's Day shop is running slightly differently!

On **Thursday, 12th June**, the shop will be set up **after school** for your child to choose a gift for the special men in their life.

How your child can collect their gift

Step 1

On Thursday, every child who's pre-ordered a gift on ParentPay will get a voucher which will have their name and class on it. If they've ordered more than one gift, they'll have more than one voucher!

Step 2

Collection from classrooms will be at usual times.

Step 3

Once you have collected your child/children, head to the corner of the playground with the door that leads to the Magic Corridor - it's also the Year 1 pick-up point. You'll see our volunteers.

Step 4

Parents and carers can then either accompany their child into the shop or send them in with our PTFA volunteers who will be able to help them with their gift choosing.

Step 5

Children will then head back down the Magic Corridor, with their gift, and be handed back to parents.

- *If children are at Rascals, we'll make sure that they still have the chance to visit the shop after school.*
- *If children are at an after-school club, they can visit the shop when their club has finished*
- *If parents and carers don't usually collect older children, they can visit the shop on their own but please bear in mind that they will be home later than usual. This may be by a significant amount of time, depending on how quickly children enter and exit the shop.*
- *If your nursery child does not attend on a Thursday, we can leave a selection of gifts for them to choose from with the nursery staff.*
