

We hope all the Y6s who have had transition days this week have had a wonderful time – we look forward to hearing all about their new schools tomorrow!

On Friday, it is the Year 6 leavers' party after school. As it is set to be a hot and sunny day, we thought it the perfect opportunity to have some water fun! To that end the children are welcome to bring in water guns. We have lots of fun games planned – for one of these they will need to bring a spare pair of socks!

They will also need a spare set of clothes and a towel, in addition to the party clothes they are already bringing to change into after school.

We are planning to take the chippy tea orders from the children first thing this morning so please make sure you have given consent and paid on ParentPay by the end of the day at the latest.

The party ends at 6pm when your (hopefully not too soggy!) children will be ready to be collected via the gate to the playground.

Any queries, please don't hesitate to get in touch.
